ADOPT-A-ROOM

The Center for Women and Families' Adopt-a-Room project is a unique way for you, your family or your organization to support women and children surviving domestic violence. By adopting a room, you will be helping to create a safe and comfortable harbor for families in need. If you choose, after your purchase there will be a room dedication at The Center including a photo opportunity. Because we must respect our clients' confidentiality, your photo will be taken in The Center's common area but we will provide you with a keepsake picture of one of our adopted rooms. Thank you.

Please print name(s) as you would like it to appear in The Center's publications (see bottom of form to opt out) and on your room's plaque:
