

Help Create Joy!

As you work on your holiday list making, please don't forget folks served by The Center for Women and Families. Your generous donation of **gift cards** will offer families the opportunity to shop for, give and receive much needed items for the holidays.

It will take at least 1,000 holiday gift cards to help all of our residential and nonresidential clients this year. To help meet this goal, consider rallying your circle of friends, book club, work team or community group to get involved in a gift card drive.
