HONORING THE 2012 WOMEN OF DISTINCTION

EACH SPRING at our annual Celebration of Service & Survival, The Center for Women and Families pays tribute to a select group of Women of Distinction who have spent their time and talents advocating for women and families in Kentuckiana. It's an elegant and festive evening featuring a cocktail reception, silent and live auctions, dinner and so much more.

Please consider attending Celebration of Service & Survival, our largest annual fundraiser, where we raise money and awareness to support The Center's mission to help victims of intimate partner abuse or sexual violence to become survivors.
