WOMEN OF DISTINCTION

Each year The Center for Women and Families nominates a select group of individuals whose contributions work in unison to improve opportunity, education and quality of life for women in Kentuckiana. These Women of Distinction are honored at The Center's annual Celebration of Service & Survival, an event that raises funds for our services to help victims of intimate partner abuse or sexual violence to become survivors. www.thecenteronline.org // (502) 581-7200
