DVAM 2023 Peer-to-Peer Toolkit Overview

October is Domestic Violence Awareness Month, and The Center is asking you to join our online peer-to-peer fundraising campaign. Help us shed light on the increase in Domestic Violence related homicides this past year.

Gifts to the DVAM 2023 fundraising campaign help keep services, including individualized counseling, housing, meals, and personal supplies, FREE for the thousands of individuals and families each year. Show your support for survivors of sexual and domestic violence as a DVAM 2023 Fundraiser and Supporter.

Being a fundraiser for the DVAM 2023 campaign is easy; it helps us get the message out in the community, and it goes a long way toward helping The Center raise funding for domestic and sexual violence programs.

The DVAM 2023 campaign is all month long and our **week of fundraising is October 22 through 28, 2023.**

DVAM 2023 Fundraiser Tips & Stats

Helpful Tips

- People give to PEOPLE not organizations. Personalize your webpage and communications to reflect you – your photos, your stories and why you support The Center.
- Donate to your own campaign and set an example.
- Create a list of contacts – colleagues, friends, family, etc. Think about all of your spheres of influence, i.e., kids' sports teams, people from your faith community, etc.
- Line up gifts from family and friends that can come in early to boost your fundraiser, if possible.
- Emails get the most donations. Be sure to send updates after your first email. (See Sample Communications).
- Personalize emails and ask for a specific amount. Research shows, if you ask for \$50, donors are more likely to give \$50 rather than a smaller amount.
- Share on social media – Facebook, Twitter, others (See Sample Communications).
- Keep a list of who you ask and who has given so that you can track and thank.
- Don't forget to thank your donors!
