

# CARRY THE CARD

**Would you know what to do if you saw someone who might be in an abusive relationship?**

One thing you can do is check in with them and let them know help is available. Carry The Center's purple card in your wallet or purse and have something available to help someone when they need it the most. Visit our website for more information.

For more purple cards email us at [media@cwfempower.org](mailto:media@cwfempower.org), call 502.581.7261
